Can we please have an outreach team go out to find this person? We don't have an exact address but maybe there's a record of the resident calling PD. Not sure there's a need for PD to go out there at this point.

Thanks.

Brian

Hi Brian,

There was a small encampment fire near LACC campus last Wednesday. No one was hurt. There was some property damage. A gentleman experiencing homelessness returned to the same location this week. The resident has reported this to the police. Is there an response team in that area that could easily follow-up?

Thanks,
Zita
